

# SCARRED LANDS & WOUNDED LIVES

The Environmental Footprint of War

A Film by Alice & Lincoln Day

**SPRING INTO ACTION!**

**Wednesday, April 25, 5-7pm**  
**Avogadro's, 605 S. Mason St.**

Join us for the free showing of this one-hour  
documentary. Discussion will follow.

*Sponsored by concerned citizens with support from  
the Fort Collins Community Action Network*

For questions: [info@fccan.org](mailto:info@fccan.org)

We will discuss the role of peacemakers and environmental advocates in calling for the reduction of environmental exploitation through war and armed conflict, and the role of the US military – the elephant in the room.
